ORIENTATION DAY PACKAGE

Creating Opportunities Through Co-op | DC030
Brooklin High School | Semester 1, 2026-2027

BRING THIS PACKAGE TO YOUR ORIENTATION DAY. Complete the student pages with your supervisor and leave the Placement Copy at the back with your workplace.

Student Name	
Placement	
Placement Supervisor	
Orientation Date	

Co-op Teacher: Ryan Westcott • ryan.westcott@ddsb.ca • 905-655-2015 ext. 244030

Orientation Day - What to Get Done

Use this package with your supervisor. Ask questions. Do not guess.

1 PLACEMENT BASICS

- ☐ Meet your supervisor and the people you will be working with.
- ☐ Confirm the placement address, phone number, supervisor email and a backup contact.
- ☐ Confirm your first placement day and your normal start and finish times.
- ☐ Learn where to report when you arrive and what to do before you leave.
- ☐ Confirm dress code, footwear, PPE, transportation and parking expectations.

2 WORK & SAFETY

- ☐ Tour the workplace. Locate emergency exits, first aid supplies and the staff/break area.
- ☐ Review the tasks you may be expected to complete and what you can do when regular work is finished.
- ☐ Ask what equipment, tools or tasks you are NOT permitted to use or complete without training.
- ☐ Identify the main hazards, required PPE and safety procedures for your placement.
- ☐ Learn exactly what to do if you are injured or notice an unsafe condition.

3 BEFORE YOU LEAVE

- ☐ Confirm the best way to contact your supervisor if you will be absent or late.
- ☐ Confirm your supervisor's email address for the electronic Work Education Agreement (WEA).
- ☐ Give your supervisor the Placement Supervisor Guide and the Supervisor Copy of the course calendar.
- ☐ Make sure you know where to go, what to wear and what time to arrive on your first placement day.

IF SOMETHING HAPPENS

If I am absent or late:

- o Contact my placement before my scheduled start time and report the absence in CO-OP Desk. **The app does not tell my placement for me.**

If I am injured:

- o Tell my supervisor immediately, even if it seems minor, and contact Mr. Westcott.

If something feels unsafe:

- o stop, ask questions, and contact my supervisor or co-op teacher. I have the right to refuse unsafe work.

On in-school / integration days:

- o follow the course calendar. I do not attend placement unless it has been specifically arranged.

IMPORTANT: An orientation visit is not permission to begin placement. Start only when your co-op teacher confirms that you are cleared for your approved start date and schedule.

Placement Orientation Questionnaire - 1

Complete this during your orientation visit. Use specific names, times and procedures.

Student Name	
Placement	

People I will be working with and their roles	Supervisors, owners, administrators, trainers, other co-op students, etc.

TRANSPORTATION	
How will you travel?	From school or home to placement
Time from school	
Time from home	

DAILY ROUTINE	
Expected start time	
Expected departure time	
Arrival & departure procedure	What do you do to let people know you have arrived? What do you do before leaving?

Workplace dress code	Clothing, footwear, uniform, jewellery, hair, etc.

Placement Orientation Questionnaire - 2

Typical tasks I will be expected to do

What can I do when my normal routine is finished? Who should I ask? What useful tasks are appropriate?

Specialized equipment or PPE required / recommended Safety shoes, gloves, glasses, hearing protection, uniform, tools, etc.

Employer provides PPE?

Yes / No / Some - explain above

Best way to report an unplanned absence or lateness Who do I contact? Call, text, email? How early?

Site-specific health / illness procedures Include COVID-19 procedures if your workplace still uses them.

Other workplace policies Parking, cell phone use, appropriate behaviour, breaks, etc.

One question I still have:

Industry-Specific Placement Safety Assignment - 1

LEARNING GOAL: I can explain my rights and responsibilities and identify how to work safely at my specific placement.

My industry / role

Complete these sections during orientation by asking your supervisor and observing the workplace. Use details from YOUR placement.

1. Hazards & Risk

List the main hazards you may encounter and what is done to control the risk.

2. PPE

What PPE is required? When do you wear it? Who provides it?

3. Safe Work Practices

What rules or procedures must you follow when using equipment, tools or materials?

4. Emergency Preparedness

Where are emergency exits and first aid supplies? What should you do in an emergency?

5. Training & Education

What tasks or equipment require training before you are permitted to do/use them?

REMEMBER: Never assume you can do a task because you have watched someone else do it. Ask for instruction, training and supervision.

Industry-Specific Placement Safety Assignment - 2

6. Reporting & Corrective Action	Who do you tell if you see an unsafe condition, make a mistake or are injured?
7. Safe Work Environment	What housekeeping, slip/trip, storage or cleanliness rules are important here?
8. Safety Culture	Who should you ask when you are unsure? How does the workplace encourage people to speak up about safety?
9. Legal / Regulatory	What WHMIS-controlled products, safety information, postings or workplace rules apply to your role?

YOUR RIGHTS UNDER THE OCCUPATIONAL HEALTH AND SAFETY ACT (OHSA)

- ☐ Right to KNOW about workplace hazards and how to protect yourself.
- ☐ Right to PARTICIPATE in resolving workplace health and safety concerns.
- ☐ Right to REFUSE unsafe work.

IF YOU ARE HURT: Report the injury immediately to your placement supervisor and Brooklin High School - even if it seems minor.

BEFORE MY FIRST DAY, I CAN SAY YES TO ALL FIVE:

☐ I know the main hazards.	☐ I know what PPE I need.
☐ I know the emergency procedure.	☐ I know who to ask for help.
☐ I know what I must not do without training.

Work Education Agreement (WEA)

What is it?

The Work Education Agreement records the approved co-op placement and the information required for the school, student and placement. It must be completed before the placement paperwork is considered finished.

YOU DO NOT NEED A PAPER COPY TODAY. Your placement supervisor will receive the WEA by email and will complete it using click-and-sign.

HOW IT WORKS

1

Confirm the supervisor - Make sure you have the correct supervisor name and email address.

2

Watch for the email - Tell your supervisor that the WEA will arrive by email from the school / electronic signing system.

3

Click and sign - Your supervisor opens the email, reviews the information and signs electronically.

4

Return electronically - The completed agreement is returned through the signing system.

5

Wait for clearance - Your co-op teacher confirms when your placement paperwork is complete and you are cleared to start.

CONFIRM THIS BEFORE YOU LEAVE ORIENTATION

Supervisor Name	
Supervisor Email	
Email confirmed?	Yes / No

DO NOT START PLACEMENT UNTIL CLEARED. A successful orientation visit does not replace required paperwork or teacher clearance.

CO-OP Desk — Attendance & Hours

CO-OP Desk is how Brooklin High School tracks your attendance, hours and learning at placement. There is nothing to install — it runs in your phone browser from the QR poster at your placement. Two scans a day is all it takes.

EVERY DAY — TWO SCANS

- 1 **When you arrive:** open your phone camera, point it at the CO-OP Desk poster, tap the link, allow location, then tap Check in — within 15 minutes of your start time or you are marked late.
- 2 **When you leave:** scan the same poster again, answer the day's question, write a short reflection (about three sentences), then tap Check out.

WATCH YOUR HOURS GROW. Every scan shows how far you are toward the 220 hours you need for the credit. Scans only count at your placement — your location is checked when you scan, and a scan from anywhere else is flagged for your teacher.

IF SOMETHING COMES UP

- Forgot to check out? Your hours are estimated, and you must explain what happened the next time you scan in.
- Can't make it? Tap Report an absence at least 4 hours before your shift. You can book known appointments ahead of time. Reporting later counts as unexcused.
- CO-OP Desk does NOT tell your placement you are away. You must still contact your supervisor yourself.

EVERY FRIDAY — SIGN YOUR WEEK

You get an email with your week. Check it and sign it. Your supervisor then confirms it, and it goes to your co-op teacher. Need a paper copy? Tap Print my weekly log any time.

REMEMBER: Two scans a day, report absences early, contact your supervisor yourself, and sign your week every Friday.

Placement Supervisor Guide - 1

PLACEMENT COPY - PLEASE KEEP WITH YOUR CO-OP INFORMATION

Thank you for supporting a Brooklin High School co-op student.

Co-operative Education connects classroom learning with practical experience in the workplace. Students earn secondary school credits while learning in a community business, organization or industry. The program is a partnership between the student, school and placement.

YOUR ROLE AS A PLACEMENT SUPERVISOR

- ☐ Make daily expectations clear. A simple routine is often helpful.
- ☐ Provide instruction, training and appropriate supervision before the student begins unfamiliar work.
- ☐ Give regular verbal feedback so the student knows what is going well and what to improve.
- ☐ Share progress, strengths and areas for improvement with the co-op teacher during monitoring visits.
- ☐ Contact the co-op teacher promptly if you have a concern.
- ☐ Remember that the student is here to learn and may need more guidance and patience than an experienced employee.
- ☐ Display the CO-OP Desk QR poster where the student starts and ends their day, so they can scan in and out on arrival and departure.

ATTENDANCE & WEEKLY SIGN-OFF — CO-OP DESK

Your student tracks attendance, hours and daily reflections through CO-OP Desk by scanning the QR poster at your placement when they arrive and when they leave. There is nothing for you to install. Once a week, after your student has signed their week, you will receive one email showing each day's times, total hours and a short note on what they worked on. Confirm it in one click, add a comment if you wish, or flag it if something looks wrong and the co-op teacher will follow up.

Performance Appraisals

Your input is requested before midterm and final reports. Comments about the student's strengths, progress and areas for improvement are important evidence for the workplace portion of the course.

COURSE CALENDAR

A supervisor copy of the Semester 1 calendar is included at the end of this package. It identifies placement days, in-school integration days, holidays, PD days and other days when students do not attend placement.

PLEASE CONTACT US EARLY. If attendance, safety, performance or fit becomes a concern, early communication gives us the best chance to support the student and placement.

Placement Supervisor Guide - 2

PLACEMENT COPY - PLEASE KEEP WITH YOUR CO-OP INFORMATION

ATTENDANCE

- ☐ Students are expected at placement on the scheduled days shown on the Co-op calendar.
- ☐ Students do not attend placement on school/statutory holidays, summative days, Professional Development days or scheduled in-school integration days.
- ☐ Students should advise you well in advance of scheduled absences.
- ☐ For illness or an unexpected absence, the student must notify the placement supervisor and the Co-op department before the expected arrival time.
- ☐ Habitual lateness or unexplained absenteeism should be reported to the Brooklin High School Co-op Department.

IN CASE OF ACCIDENT OR INJURY

REPORT EVERY INJURY - EVEN IF MINOR. The student or placement supervisor must contact Brooklin High School immediately with the details of when, where and how the injury occurred.

If medical treatment is required, a WSIB Treatment Memorandum (Form 0156C) must be presented to the medical practitioner. The Co-op teacher will provide the form. Using the form helps ensure the training organization is not charged for compensation by mistake. WSIB is not required for students placed in school settings.
